ARTISTIC DIRECTOR'S CIRCLE

With over 100 members, the Artistic Director's Circle's level of support continues to grow with each passing year. Our members have become the most influential group of leaders within the company. These special individuals, who are among the Arts Club's most generous patrons and stewards, have shaped the future and strengthened the mission of our company.

By becoming an Artistic Director's Circle member, your support will enable us to:

- Entertain audiences with exceptional presentations
- Encourage and foster emerging Canadian talent through programs such as ReACT: New Plays in Progress
- Provide innovative and imaginative programs to attract young audiences, such as the Musical Theatre Intensive and LEAP: Playwriting Intensive
- Ensure a legacy of the Arts Club in our community

Since 1964 the Arts Club has entertained millions of audience members. We take great pride in featuring the work of the finest playwrights, directors, designers, actors, and technicians throughout the country. Vancouver is recognized as a city of creative innovation, and we are committed to supporting the diversity of cultural offerings in our city. We strive to include some of Canada's best performers and most creative minds from our own community through our popular mix of musicals, classics, dramas, contemporary comedies, and new works.

WELCOME TO THE ARTS CLUB THEATRE COMPANY
ARTISTIC DIRECTOR'S CIRCLE

Less than half of the Arts Club Theatre Company's operating costs come from ticket sales. Therefore, each year, we rely on contributions from individuals to enable us to present outstanding productions as well as provide extensive education and outreach programs for our community. The financial support we receive — from people like you — will ensure our programs are of the highest standards and that we continue to produce quality work on our stages. Your donation will help directly support, nurture, and encourage the continued growth and artistic excellence of the Arts Club.
